

# Embedded Medical Devices

BME554L (Fall 2025)

## Table of contents

| Module                                  | Materials  | Assessment   |
|---|--|--|
| Zephyr & Nordic SoC Overview            | <a href="#">Lecture Notes &amp; Slides</a>   | Completion Survey (Gradescope) <a href="#">Software Installs &amp; Tutorials</a> |
| Event-Driven State Machines             | <a href="#">Lecture Notes &amp; Slides</a>   | <a href="#">Event-Driven State Machine Lab</a>                                   |
| Version Control ( <a href="#">git</a> ) | <a href="#">Lecture Notes &amp; Slides</a>   | Git Fundamentals Quiz (Gradescope) <a href="#">Git Fundamentals Lab</a>          |
| C Programming & Debugging               | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">Debugging DevAcademy Module</a>  | C Programming Quiz (Gradescope) <a href="#">C Programming Lab</a>                |
| Devicetree, GPIO & Callbacks            | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">Nordic DevAcademy Lesson 2: Reading Buttons &amp; Controlling LEDs</a> | <a href="#">DT/GPIO/CB Lab</a>   |
| Timers & Work Queues                    | <a href="#">Lecture Notes &amp; Slides</a>   | <a href="#">Timers Lab</a>   |
| Threads & Kernel Events                 | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">Zephyr RTOS: Beyond the basics</a>                                     | <a href="#">Heartbeat &amp; Kernel Events</a><br><a href="#">Refactor Lab</a>    |
| State Machine Framework                 | <a href="#">Lecture Notes &amp; Slides</a>   | <a href="#">State Machine Framework</a><br><a href="#">Refactor Lab</a>          |
| Analog-to-Digital Conversion (ADC)      | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">Nordic DevAcademy: ADC</a>   | <a href="#">ADC Lab</a>  |
| Pulse Width Modulation (PWM)            | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">Nordic DevAcademy: PWM</a>   | <a href="#">PWM Lab</a>  |

| Module                     | Materials  | Assessment  |
|----------------------------|--|---|
| Serial Communications      | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">UART DevAcademy Module</a><br><a href="#">Serial Communication DevAcademy Module</a> | None  |
| Bluetooth Low Energy (BLE) | <a href="#">Lecture Notes &amp; Slides</a><br><a href="#">DevAcademic: BLE (Lessons 1-4)</a>   | <a href="#">ECG &amp; Temperature Sensing</a><br><a href="#">BLE Device</a> |
